RE: ESSENTIAL HOME HEALTH CARE SERVICES DESIGNATION

(Expires according to state or federal order)

To Law Enforcement & Emergency Services Personnel:

The bearer of this letter is employed by Home Assist Health in an essential capacity, providing home care services to vulnerable individuals, elderly and disabled community members, who rely on these caregivers for their essential needs in their homes. Many are not able to leave their homes alone or obtain health care elsewhere at this time. Both President Trump's National Emergency Orders and Governor Douglas Ducey's state and local stay at home orders exempt essential services including these healthcare providers.

This letter verifies the **essential** nature of the bearer's duties and is not intended in any way to encroach upon the authority and laws of state and local governmental authorities. This designation is only meant to address travel to and from work assignments. If you need to verify the bearer's employment and that s/he is currently on assignment with Home Assist Health at 3737 N. 7th Street Suite 203 Phoenix AZ 85014, please contact Human Resources at 602-795-7047.

Sincerely,

Sara Wilson
President, CEO
602-795-7620

Reference: Governor Douglas A. Ducey State of Arizona Executive Order 2020-12 Prohibiting The Closure of Essential Services 1.b.
